Company Overview

CleanVane Services LLC is a professional janitorial and facility maintenance company providing high-quality, reliable cleaning services for commercial and government facilities. As a certified Woman-Owned Small Business (WOSB), we deliver detail-oriented, compliant cleaning solutions aligned with federal, state, and local standards. We are an active SAM.gov registered vendor, eligible to perform as both a prime contractor and subcontractor.

Available for immediate contract start and emergency response services

Core Competencies

- Commercial, medical, and industrial facility cleaning
- Post-construction and final cleaning services
- Janitorial services for offices, clinics, and high-traffic environments
- Floor care, carpet cleaning, sanitation, and disinfection
- High-touch surface disinfection and infection-control cleaning
- Flexible scheduling (day/night/secure environments)

- 561720 – Janitorial Services
- 561740 – Carpet and Upholstery Cleaning Services
- 561790 – Other Services to Buildings and Dwellings

Service Area

California – Primary Service Region: High Desert and surrounding Southern California areas

Target Clients

- Federal Government Agencies
- Department of Defense Facilities
- Municipal Buildings & City Facilities
- Commercial & Industrial Facilities

Differentiators

- 16+ years of hands-on experience in high-volume industrial environments
- Direct owner oversight ensuring quality, accountability, and compliance
- Proven ability to maintain large-scale, high-traffic facilities
- Rapid response capability for urgent and time-sensitive service needs
- Flexible workforce scalable to contract size and requirements
- Accepts Government Purchase Card (P-Card) for fast procurement
- Family-owned business with strong reliability and accountability
- Experience supporting high-demand industrial environments with strict safety compliance

Past Performance

CleanVane Services LLC brings over 16 years of experience supporting facility operations and sanitation in a high-volume industrial metal recycling environment. Responsibilities included maintaining cleanliness across offices, restrooms, locker rooms, breakrooms, and operational zones, including certified scale areas. Services included daily waste removal, sanitation, and disinfection of high-touch surfaces in compliance with safety and cleanliness standards. Additional experience includes staff coordination, payroll, and operational support for both local and export operations—demonstrating the ability to manage large-scale, high-demand environments.
