SAM.gov Registered | Eligible for Federal Contracting  
Woman-Owned Small Business

### Company Overview

CleanVane Services LLC is a woman-owned small business providing professional janitorial, sanitation, and facility cleaning services for commercial, medical, and government facilities throughout California. We deliver reliable, high-quality cleaning solutions focused on infection-control standards, safety, and consistent service performance in high-traffic and sensitive environments.

CleanVane Services LLC is registered in the System for Award Management (SAM.gov) and is eligible to support federal, state, and local government agencies as a prime contractor or subcontractor.

### Core Competencies

- Commercial and medical office cleaning
- Post-construction and final cleaning
- Janitorial services for offices, clinics, and patient areas
- Carpet and floor care, sanitation, and disinfection
- Flexible scheduling for high-traffic and sensitive environments
- Owner-operated company with scalable support staff for larger projects

### NAICS Codes

- 561720 – Janitorial Services
- 561740 – Carpet and Upholstery Cleaning Services
- 561790 – Other Services to Buildings and Dwellings

### Service Area

California – Primary Service Region: High Desert and surrounding Southern California areas

### Differentiators

- Active vendor registered in SAM.gov
- Owner-operated company ensuring direct accountability and quality control
- Flexible scheduling to support secure and occupied facilities
- Infection-control focused cleaning procedures
- Rapid response capability for urgent facility needs
- Accepts Government Purchase Card (P-Card)

### Past Performance

CleanVane Services LLC provides residential and small commercial cleaning services with a focus on consistent quality, reliability, and customer satisfaction. Services include routine janitorial cleaning, sanitation, and detailed cleaning for occupied environments. The company applies established cleaning procedures, quality-control practices, and professional service standards while expanding operations into commercial, medical, and government facility support.

### Certifications
